

THRU THE LENS V

Our Members' exhibit will be coming up soon.

For those of you new to the club, this is an exhibit sponsored by **The Arts Council of Livingston** and it is hung in the gallery space (hall) in the building where we meet. It is a chance for people to see and enjoy photography and it is a chance for the club to display members' work to the public and to, hopefully, encourage people to join LCC. The exhibit gives members an opportunity to see each other's work and to mingle with family and friends at our wonderful reception. **All members of the club are urged to participate from both the A and B classes.** If you have never exhibited, this is a golden opportunity to learn how. I will gladly guide you through the process. Feel free to ask!

- You may enter up to two photos for a fee of \$4 each.
- All photos must be framed and ready for hanging.
- The smallest photo that may be entered is 8x10,
- The smallest frame size is 11x14.
- The largest frame size is 24x30 and any photo that will fit into that frame.
- Both A and B classes are covered by these sizes. The B class is not restricted to competition size limits.
- A photo is eligible for entry as long as it has not been in a previous THRU THE LENS EXHIBIT. *You may contact me to check if you are not sure.*
- Your image may be in monochrome or color. (No separate judging of monochrome)
- There will be ribbons awarded for Best in Show, Excellence, Merit, and Honorable Mention. A and B classes will be judged separately. The number of ribbons awarded will total approximately 20% of the entries.
- You may not win more than one ribbon.

A Prospectus, an Invitation/Flyer and a release form from the Arts Council of Livingston will be sent to you soon with further instructions.
